

Lambing, Kidding, and Calving on Pasture

Practical how-to information from experienced shepherds on how we handle lambing, kidding, and calving, including what to have on hand, helpful tools, recognizing imminent birth, how a normal birth proceeds, when and how to intervene, and what do we do after the birth.

ATTRA Resources for Digging Deeper

[Building Blocks for Healthy Herds and Flocks](#)

In this webinar, NCAT Livestock Specialists Margo Hale and Linda Coffey share their insights about small ruminant health.

[Top 5 Lambing Hacks for a Panic-Free Season](#)

1. Really see, 2. Catching and holding, 3. Portable pen, 4. Lambulance, 5. Drip, strip, and clip

[So You are Lambing for the First Time! \(ATTRA video\)](#)

Here is a quick video that will tell you what to look for when your ewes get close to lambing and how to deal with two of the most common abnormal lambing presentations.
